# How to Get Connected at CSM

I'm curious about getting connected at CSM. Great! You have the right piece of paper in your hands. We have put this together for you to tell you about some of the best ways to get involved at Crestview's Student Ministry. So whether you're new to CSM or you've been here many times before, we understand the importance of finding a place in the church community.

## **Jump in on CSM Events**

Throughout the year, CSM has exciting events designed to bring students together to make new friends, have fun, and glorify God. Going to these events is a great way to get connected, especially if you're new to CSM. There is always something going on. Feel free to click on the Monthly Calendars on our website or stop by the CSM area and pick up a hard copy to see the exciting things we have planned in the weeks to come.

## **Join a Sunday Morning Discipleship Group**

Events and weekend services are a perfect way to get connected to the CSM community. If you want to grow in your faith and your friendships with fellow CSM students, the next step is to join a Sunday Morning Discipleship Group. Each group is organized by grade and gender with 2 loving adult leaders who meet once a week to study God's Word, share what's going on in their lives, and help each other figure out what it means to honor God with our lives. In a Discipleship Group, you'll experience love, acceptance, encouragement, and spiritual growth.

## **Participate in our Wednesday Night Program**

On Wednesdays we give you the opportunity to hang out, worship, and learn with your peers in a large group setting. There is a free meal starting at 5:45pm with our regular Wednesday Night program beginning at 6:15pm and lasting until 7:30pm in the Event Center next to the CSM area. This is also a great time to get to know students that you may not see on a regular basis.
