

# CAMP CRESTVIEW REIMAGINED

Virtual Camp Experience

August 3-7, 2020

“I am sure of this, that He who started a good work in you will carry it on to completion until the day of Christ Jesus.” Philippians 1:6

Thank you for joining us in this engaging and unique way to experience camp at home. We hope that through this week your family will be encouraged and strengthened by the truth that everything is built right when Jesus' love is the foundation. Please know that we love and care for you and your families and we have been praying for each of you by name in these challenging days.

The instructions below will assist you in accessing the daily content and any supplies needed for each day's adventure.

During the week of August 3-7, you will be able to access the daily content by going to <https://peoplesharingjesus.com/Camp-Crestview-2020/>. **The password is CampCrestview2020 OR your email address.** Either one will allow you access.

Each day's Camp experience will be available by 8:00 a.m. each morning and your child will be able to participate at any time that is convenient for your family. The entire Camp week will continue to be available for several weeks after camp.

If your child was previously registered for Camp Crestview or you signed up online by July 20 and live within a 20 mile radius of our church **you will receive a front porch delivery of camp resources in the days just prior to Camp. If a gate code is needed for your delivery or you live outside this delivery area and would like to pick up a camp resource bag, please contact Michelle Ray at [michelle@peoplesharingjesus.com](mailto:michelle@peoplesharingjesus.com) to provide the code or arrange for pick-up.**

These resources will include most supplies needed for Camp; however, several of the items on the attached Resource List are NOT provided (see yellow highlighted items); these are items you often already have at home.

The Camp is designed for your child to be able to participate without parental “instruction” (this is NOT going to feel like school) although parent participation is welcome. As children are learning songs, making their crafts or mastering the card tricks feel free to pause the video or review sections if desired.

Check back in to the Camp Crestview link in the weeks following Camp for additional fun and encouragement, and weekly discussion guides for your Day by Day Bible readings as we “reimagine” how we connect and support one another in these unusual days.
