

Sunday night July 25th, we conducted a special fellowship after the evening service to express our thanks to some faithful servants of the Lord who have been a great blessing to this church and this community for more than two decades.

Michelle Ray has been a great leader in our ministry to children and one of the driving forces behind our ministry to thousands upon thousands of children through Camp Crestview which has happened annually since 1996. Her husband, Stan, has served as a teacher, deacon, and in countless other ways in the many years they have served among us. Stan has given leadership among our deacons in several important ministries. Their children have also been faithful in service and ministry when they were still at home. My spiritual connection with Michelle goes all the way back to her high school days when she was in the youth group at First Baptist Church Baird. They will be greatly missed.

Mickie Smith has also served here for many years as part of our administrative team and as the Preschool Minister in which capacity, she was a key leader for our weekday programs for Preschoolers as well as a leader in our work on Sundays with preschoolers. Mickie has been a key leader in Camp Crestview and countless other ministries. Her husband, Barry, has been a great teacher and trainer. He has taught Sunday School in several departments, served as a deacon, led out in our observances of the Lord's Supper, served on key deacon teams and other areas of leadership. He has been a tremendous blessing to our Student Ministry where he led out in a number of mission trips. Barry has been a trainer in our SPLASH program. He has led in numerous drama productions through the years, both acting and directing. Barry has also worked as an usher and greeter with great skill. Their children have also been a valuable part of our ministry through the years.

Crestview has been the second time that I have been privileged to be a pastor to this family. They were highly valued members of First Baptist Kingsville where we served just prior to coming to Georgetown.

I am certain there were numerous other blessings these families have visited upon this community and church that have not been listed, I hope what has been listed serves us all as an inspiration to be faithful in our own service to the Lord.

"What a joy it is to serve the Lord every day!" These words were spoken to me by one of our members here at Crestview several years ago. I have often reflected on this statement. I hope you also know the joy of serving the Lord every day

Your Servant for His Sake,
Pastor Dan

Encore Luncheon – Coming soon!

Summer has been full of ministry opportunities, Camp Crestview, Youth Camps, celebrations and fun, but no Encore Lunches... never fear: Encore Lunches resume on Wednesday, September 1st, at noon. We are planning an old-time "pot luck" luncheon and program in the Gym. The main course is Bush's Chicken Tenders and drinks will be provided. Attendees will bring sides and desserts, yummy! You get to share one of those great dishes perfected over the months of cooking and eating at home (or some goodies you ordered in). All dessert items are welcome, but if you know of good low sugar desserts please bring them. More importantly, bring yourself and invite a friend!

Connie Vu, a Crestview member and professional in helping people to better control Type 2 Diabetes through diet and lifestyle changes, will be our guest speaker. The presentation includes information and guidance for those who have Diabetes and those who help care for someone with the disease. There is much to learn which can help us and our loved ones live healthier and more productive lives.

Additionally, come enjoy the fellowship around the tables and have some fun! Please call the church office by August 26th and let us know you plan to attend.

What an exciting time it has been to be back together in worship! There really is nothing quite like lifting a song of praise in the midst of your brothers and sisters in Christ!

I'm SO excited about the upcoming opportunities for every member of your family within our Crestview music ministry.

We're going to be launching numerous ministry components in the coming days, and I hope that you will plug in somewhere and begin using your gifts and talents for the One who actually gave them to you.

And, when we do this with other believers it just seems that the blessing is multiplied! Give it a try. You'll be convinced!

Soli Deo Gloria!
Corey
